If you are aged under 18, the College is obliged to advise your parents or guardian of your dismissal or any formal disciplinary action that will be taken.

3.2 Academic Integrity

Kiwi College of New Zealand is fortunate that most of its students work hard at their studies and do not cheat in their assignments or exams.

Cheating is totally unacceptable at Kiwi College. Kiwi College aims to provide support and education and to design assessments and assessment conditions to ensure prevention of cheating and plagiarism. For more information about plagiarism and possible consequences please refer to the College's 'Academic Integrity Policy' which can be obtained at Administration office.

5.3 Code of Practice

Kiwi College is a signatory to and committed to The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 ('the Code'). The Code ensures that:

When you receive an offer of place, please make sure you read it thoroughly. See page 24 for the full fee structure.

5.5 NZQA Fees / Certificates

If you are completing a New Zealand national qualification, you need to pay Kiwi College an administration fee of \$94.80 for your results to be submitted to the New Zealand Qualifications Authority (NZQA). This fee is transferred to NZQA.

Your results appear on your Record of Achievement on the NZQA website. You need an NSN number and password to log in.

If a student wants to request a certificate, results, attendance or progress reports from Kiwi College a 'Student General Request Form' needs to be filled out. This request could take up to two weeks to be processed as our quality-checking process needs to be followed first. \$10 processing fee may be charged if the request is not at the completion of a term or at the end of the student's enrolment period.

5.6 Credit Recognition and Transfer

Credit Recognition and Transfer (CRT) is available to students for selected courses offered at Kiwi College. Please refer to the programme handbook for the particular programme you plan to enrol in for the CRT regulations applicable to your study programme. Where a student believes they already possess the skills or knowledge through formal study, they should submit a CRT application to Kiwi College at the point of application. If equivalency is assessed for component(s) previously completed by the student, credit will be awarded for the component(s).

An original or notarised course transcript is required as evidence of successful completion of previous study. Overseas qualifications must be verified by NZQA at the student's own cost to be considered for cross-credits.

6. New Zealand Immigration Requirements for International Students

- All international students must hold a valid student visa (or other valid visa for courses of less than three months) for the duration of their studies. Further information regarding the various requirements of Immigration New Zealand can be obtained from its website www.immigration.govt.nz or the nearest New Zealand High Commission, Embassy or Immigration New Zealand Office.

- An offer of place issued by Kiwi College does not guarantee that the student will be issued with a student visa.
- In most cases, international students are required to pay their tuition fees to Kiwi College as a requirement to lodge their student visa application. Students are also required to provide evidence of additional funds available for living costs.
- Kiwi College is required to report to Immigration New Zealand about those students who are not fulfilling the requirements of their student visa, which includes not only the attendance rate, but also satisfactory academic progress and conduct.
- Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from the Immigration New Zealand website.

7. Provision of Information

7.1 Withdrawal, Refund and Fee Protection Policy and Procedures

Kiwi College places the sum of all tuition and accommodation fees paid in advance, by our current and future students, in a Standard Static Trust, managed by the Public Trust. When claiming under this policy, students should contact the Trustee for all unused portions of fees paid on 0800 494 733 and/or feeprotect@publictrust.co.nz.

As indicated above, international students are usually required to pay their tuition fees to Kiwi College as a requirement to lodge their student visa application. These funds are held against the student's name until their enrolment is completed.

Students should note that the "Contract of Enrolment/Tuition agreement" is a contractual agreement for the full duration of their time at Kiwi College. Payments indicate an acceptance of this contractual agreement.

7.2 Refund of Fees

Each refund request is decided on its individual merits. There is no automatic right to a refund of fees if a student changes their mind about studying at Kiwi College.

Note: Fees to be refunded do not include Registration Fee, Airport Pick-up Fee, Homestay Placement Fee, Insurance Fee, Bank Transaction Fee, and any other fees that had been paid or spent to a third party or individual.

For information on refund entitlement please refer to the 'Withdrawal, Refund and Fee Protection Policy and Procedures', which can be obtained from the Administration Office.

- Cancellation prior to course commencement.
- Decline of student visa or another eligible visa.
- Termination of enrolment.
- Voluntary closure or course cessation.
- Course closure event.
- Withdrawal and/or refund application.

All students must apply in writing for a withdrawal and/or refund to the Administration Manager using the 'Student Withdrawal and/or Refund Application Form'. For detailed information about withdrawals and refunds, please read the Withdrawal, Refund and Fee Protection Policy and Procedures.

7.3 Attendance and Conduct

Please study and make sure you understand the Attendance Policy and Procedures fully. Please understand that:

- Poor attendance will cause you very serious problems now and, in the future.
- Your academic progress may suffer.
- You may face disciplinary action and could be dismissed from the College.

If you are an international student studying onshore:

- You will be breaking Immigration New Zealand requirements.
- Your student visa will be cancelled, and you may not be able to get another visa to stay in New Zealand.
- You may be refused a visa at any time in the future because you will have a poor record.
- Your attendance is part of your study record.

Immigration New Zealand visa regulations require students to attend classes at all times, as required, unless they have genuine reasons for their absence. Your attendance will be marked as a percentage of time participating in directed class sessions.

Kiwi College reserves the right to exclude any student who breaks New Zealand law or Kiwi College rules and regulations. Kiwi College also reserves the right to exclude any student who fails to attend 100% of the course they are enrolled for, unless there are extenuating circumstances such as health issues or family bereavement. For details on possible consequences of poor attendance please read the 'Attendance Policy & Procedure'.

If your attendance drops below 90% a verbal warning will be issued, unless you have a valid reason and provide the supporting documents ("Request for Leave" form and copy of Medical Certificate). If your attendance does not improve a first and second warning letter will be issued, upon which Immigration NZ will be informed.

If you are an international student, in the case of exclusion, Kiwi College will advise Immigration New Zealand and will not refund any fees.

Request for Leave of Absence

It is important that you apply for leave at least a day in advance if you plan to be absent for a valid reason. Please complete our 'Request for Leave/Evidence of Absence' form, which is held at the Administration office.

No leave is given during supervised test days unless there are exceptional reasons.

Absence due to Medical Reasons

When you are sick, you should inform the Administration and Student Support Officer of the reason of your absence. When you return to class, you need to fill out the 'Request for Leave/Evidence of Absence form' and provide a copy of your medical certificate. If you are under 18 years old, you need to provide a note from your parent, homestay or guardian to say why you were absent when you complete the 'Request for Leave/Evidence of Absence form'. Your teacher needs to sign the form before you submit the form to the Administration Office.

Fees will not be deferred for any sick leave.

7.4 Student Welfare

All students are welcome to discuss concerns regarding their study, accommodation, visa requirements, further study, and other issues with our Student Support Officer or our Marketing Department.

7.5 Student Complaints

Complainants should follow the Concerns, Complaints, and Academic Appeals Policy (available from the Administration Office). If the matter is not resolved after following Kiwi College policies and procedures the complainants should e-mail NZQA at risk@nzqa.govt.nz for Academic Complaints or Study Complaints (help@studycomplaints.org.nz) for Finance and Contractual disputes.

Complainants are strongly encouraged to discuss their concerns directly with the relevant staff member.

If the concern is not resolved, the complainant or staff member, with the complainant's consent, may raise it with a relevant manager.

A response should be made to a concern within ten working days by the staff member receiving the concern or the staff member the concern was referred to. If the concern is not resolved, complainants are advised of the complaint procedures for making a complaint.

Where the concern cannot be resolved through discussions between the individuals concerned, the aggrieved person can file a formal complaint/appeal.

To ensure that complaints/appeals can be resolved effectively:

- The complainant submits a written statement summarising the issue to management.

- Which is made more than ninety (90) days after the alleged incident/issue.
- Where no response is received from the complainant within ninety (90) days of the College communicating with the complainant.

Complaints or Academic Appeals are submitted to the Administration Manager.

- On receipt of a written complaint, the Administration Manager directs the complaint to the appropriate Manager for investigation.
- The complainant must receive notification of the process from the Administration Manager within three working days of receipt of the complaint.

The Manager, or nominee will:

- Coordinate the response to the complaint.
- Endeavour to resolve the complaint either through separate discussions with the complainant and other parties, or if necessary, with the complainant and other parties brought together.
- Ensure that steps towards the resolution of a concern/complaint are undertaken within 10 working days and the complainant notified immediately.
- Where possible, the complaint will be resolved within 28 working days.

The Administration Manager will record complaints and will provide a summary report of complaint and appeal activities to the Senior Management Team.

7.6 Student Application for Assessment Deferment

If a student is unable to sit for or submit an assessment because of illness or other acceptable reasons, they must provide valid and verifiable documentation. The case will then be considered by the Programme Leader and/or Academic Director where students may be allowed to complete the assessment at a later date or write a different version.

8. Academic Progress and Assessment

8.1 Academic Progress

If you are studying English, you will be assessed on your first day of studying with the College to determine your current competency level in English. If you consider that you have been placed at an inappropriate level, you may apply to the English Programme Leader for reassessment.

Your progress will be assessed regularly, and you are entitled to receive regular feedback on your progress from your teachers. A formal progress report will be provided to you every five weeks for English/IELTS courses. A copy of this report will be sent to your parents or legal guardian if you are under 18 years old.

8.2 Reassessment

Programme Handbooks have specific information about the programmes and training schemes.

- A reassessment may include a resubmission or resit and will assess the learning outcome(s) which were not achieved.

- A resubmission may be offered if the assessor judges the capability of identifying and correcting the work without any further teaching or specific feedback. Only general feedback may be given, such as advising you which learning outcome(s) you did not meet.
- Students who are eligible for a re-sit will be notified within 48 hours after overall marks have been post-moderated.
- Resits should be completed by the student within 5 working days of notification of eligibility for reassessment, if practical.

9. Planning Your Study in New Zealand

For information on studying, living expenses and working in New Zealand, please follow the link:

<https://www.studyinnewzealand.govt.nz/new-zealand/live-work/> or join NauMai NZ community (www.naumainz.studywithnewzealand.govt.nz) for useful information about New Zealand, the lifestyle and culture and to navigate daily life in New Zealand.

9.1 Accommodation

All students under the age of 18 years old who have no legal guardian that is a permanent resident in New Zealand, must stay at Kiwi College arranged accommodation. Accommodation is arranged only for the duration of the studies. Students over the age of 18 years old are also encouraged to stay in homestay accommodation, but there are other options available including flatting, or staying in a hostel, backpackers or even a hotel or motel. Please contact the College's Administrator for any queries you may have that have not been covered in this handbook.

- **Homestay** (suitable for students under 18 years and students over 18 years of age)

You will stay with a New Zealand family in their home. This provides an opportunity for students to become part of a New Zealand family and to experience a traditional 'kiwi' lifestyle. You can expect a bedroom with study facilities and three meals per day, in an environment that will encourage growth in your English language skills. If you stay in a homestay, you don't have any extra costs – everything is normally included in your rent.

- **Flatting** (suitable only for students over 18 years of age)

You will rent a flat or a house either on your own or with other students. You will have to provide and cook all your food, clean the flat etc. You will have to pay for your power, water and Wifi costs. Some flats may be furnished, but usually you will have to buy furniture too. If you decide to go flatting or rent accommodation, please be aware of your rights and those of your landlord. Please follow the link for a guide to the law about renting:

<https://www.tenancy.govt.nz/new-zealand/starting-a-tenancy/new-to-tenancy/key-rights-and-responsibilities/>

- **Hostels** (suitable only for students over 18 years of age)

A hostel is a building where many students stay together and share facilities. You may have your own room, or share with a friend, which is cheaper. The rooms are furnished, and electricity, water and Wifi are included in your rent. Shared facilities usually include a kitchen, bathroom, TV lounge and a laundry.

- **Hotels and Motels**

These do not usually cater to students, so expect to pay high prices.

9.2 Accident Insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website: www.acc.co.nz

9.3 Public Library Services

There are public libraries in Albany, Browns Bay, Takapuna and Auckland City Centre. Generally, the libraries open Monday – Friday, 9.00 am to 5.30 pm, and Saturday – Sunday, 9.00 am to 4.30 pm. Students can join the library, for free, at any of the locations. To become free members of the public library and get a library card you will need to complete:

- A library application form (The form is available at the library reception or you can download an electronic version from: www.aucklandlibraries.govt.nz/EN/About/jointhelibrary/Pages/joiningthelibrary.aspx)
- You need to provide a copy of your passport and a student confirmation letter. Please ask for a confirmation letter from the Administration office.

9.4 Banking Services

It is a good idea to open a bank account as soon as possible.

- EFTPOS - most shops accept EFTPOS. With an EFTPOS card from your bank account you can make purchases and payments, in which money is taken directly (debited) from your bank account.

Your bank will ask you to choose a PIN (personal identification number) for electronic banking. Do not show your PIN to anyone. If you lose your bank card or think someone else has your PIN contact your bank straight away on its free phone 0800 number and cancel your card.

Information about banks and their policies are available at the banks and on their websites. The main banks are: ASB, ANZ, BNZ, Kiwibank, and Westpac. You can choose which bank you want to join; banks charge different fees. You will also need a personal IRD number.

Kiwi College can assist you with your banking arrangements and obtaining an IRD number.

9.10 Access to Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website: www.moh.govt.nz.

For regular health and medical care, you should enrol with a doctor or General Practitioner (GP). To find a doctor in your area visit Healthpoint (<https://www.healthpoint.co.nz>) to search for a doctor near you or call Healthline on 0800611116.

You are free to register with a doctor of your choice. It is not necessary to change your doctor if you move to a different area, especially if you are happy with the service you receive. If you decide to change to another doctor, it is important to tell your new doctor about your previous enrolment, so your medical files can be transferred to your new doctor. Doctors can determine their fees and can provide different services. Children under 14 years can visit the doctor for free if they are enrolled with a doctor. There will be a charge if you visit the doctor.

Depending on your Medical Insurance, some or all your costs may be met.

Health care is also available from the local Medical Centres:
