WELCOME TO KIWI COLLEGE

Be kind, be brave, be you

College History

Established in 1992 and approved by the New Zealand Qualifications Authority (NZQA), Kiwi College of New Zealand has over 30 years of experience in international education. We offer English Language and University Foundation programmes.

Quality Education and Personalised Learning

We provide a supportive and personalised learning experience. Our small class sizes and caring teachers provide students with personalised support, helping them develop their academic knowledge and critical thinking skills while working towards their personal and academic goals.

We offer flexible learning options, including face-to-face, online, and blended learning, allowing students to choose a study mode that best suits their needs.

University Pathways

Our University Foundation programmes provide pathways to undergraduate study at New Zealand universities, including Massey University and Auckland University of Technology, subject to meeting the relevant entry requirements. Eligible graduates are guaranteed entry to bachelor's degree programmes at Massey University. To date, more than 95% of students who have completed our University Foundation programmes have successfully progressed to university.

Safe and Supportive Learning Environment

We are committed to providing a safe, welcoming, and supportive learning environment. Students have access to ongoing academic and pastoral support, as well as professional counselling services to support their mental health and wellbeing.

Convenient Location

Located in the heart of Albany on Auckland's North Shore, Kiwi College is within a 15-minute walk of Massey University, shopping centres, public transport, major banks, restaurants, and other essential services. Our convenient location makes daily life and travel easy for students.

MISSION AND VALUES

Vision

We will be recognised globally for our excellence in quality teaching and student care and well-being services. We deliver purposeful and relevant English language courses and university foundation programmes, preparing students for university success and their future careers.

Mission

Our mission is to provide an enriched and positive student experience and deliver a transformative learning journey to university through our progression-focused approach, quality study programmes, talented people, student support and pastoral care services, and distinctive teaching practices. We aim to enable students to reach their full potential and maximise their future study and career prospects.

Our Values

- **Excellence** – We are committed to best practice in all our activities and aim to create an environment where students and staff can realise their highest potential.
- **Responsiveness** – We share and apply our knowledge and experience to guide balanced and evidenced decisions for ourselves and our stakeholders.
- **Humanity** – We embrace and celebrate difference, respect and support one another, and act with integrity to benefit our students, staff, and the wider community by transforming and enriching lives.
- **Courage** – We think and speak freely, and act boldly to challenge assumptions and shape our future for the greater good of society.
- **Kiwi spirit** – In the innovative Aotearoa New Zealand spirit and inspired by our people, history and bicultural foundations, we embrace creativity and ingenuity.
