# About Kiwi College

*Be kind, be brave, be you*

## College History

Established in 1992 and approved by the New Zealand Qualifications Authority (NZQA), Kiwi College of New Zealand has over 30 years of experience in education. We offer a range of programmes, including English language courses, NZCEL programmes, University Foundation programmes, and vocational training.

## Quality Education and Personalised Learning

We provide a supportive and personalised learning experience, with a strong focus on practical application. Our small class sizes and caring teachers allow students to receive personalised support and develop academic knowledge, critical thinking, and practical skills while working towards their personal and academic goals.

We offer flexible learning options, including face-to-face, online, and blended learning, allowing students to choose a study mode that best suits their needs.

## University Pathways

Our University Foundation programmes provide pathways to undergraduate study at Massey University.

Eligible graduates are guaranteed entry to bachelor's degree programmes at Massey University. To date, more than 95% of students who have completed our University Foundation programmes have chosen and successfully progressed to Massey University.

## Safe and Supportive Learning Environment

We are committed to providing a safe, welcoming, and supportive learning environment. Students have access to ongoing academic and pastoral support, as well as professional counselling services to support their mental health and wellbeing.

## Convenient Location

Located in the heart of Albany on Auckland's North Shore, Kiwi College is within a 15-minute walk of Massey University, shopping centres, public transport, major banks, restaurants, and other essential services. Our convenient location makes daily life and travel easy for students.

*Our University Partner*

UNIVERSITY OF NEW ZEALAND

*RANKED #215 GLOBALLY (QS 2027)*

*RESEARCH-LED, INNOVATIVE LEARNING*

*INDUSTRY PARTNERSHIPS AND CAREER-FOCUSED EDUCATION*

## History

Established in 1927, Massey University is one of New Zealand's eight public universities. In the 2027 QS World University Rankings, Massey University is ranked 215th in the world. It is the only truly multi-campus university in New Zealand, with campuses in Auckland, Palmerston North, and Wellington.
Massey University has a long and proud tradition of breaking new ground across a wide range of areas, including business, creative arts, health, science, humanities, and social sciences.

## Massey University Comprises Five Schools and Colleges

- Massey Business School
- College of Creative Arts
- College of Health
- College of Humanities & Social Sciences
- College of Sciences

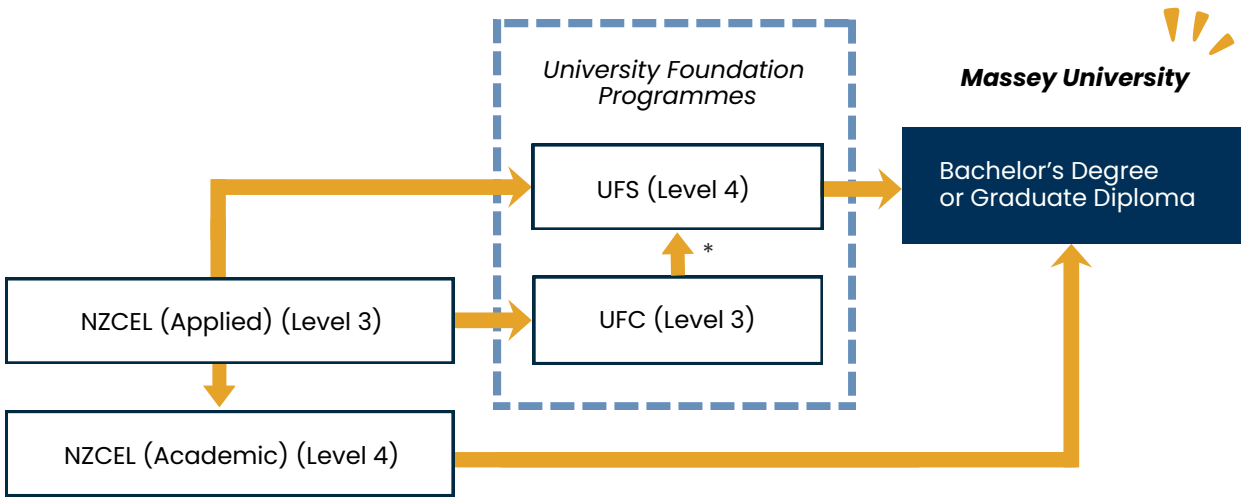

# University Foundation Programmes

*Your pathway to undergraduate study and future success. Guaranteed entry to Massey University.*

Kiwi College's University Foundation Programmes provide students with a clear pathway to university study. Start with the *University Foundation Certificate (UFC) (Level 3)*, progress to *University Foundation Studies (UFS) (Level 4)*, and then continue to a Bachelor's degree or Graduate Diploma at Massey University. This pathway is ideal for students looking to build a strong academic foundation and develop the skills and confidence needed to succeed at university.

## University Foundation Pathway

*Please check the English language requirements at the time of admission.

# University Foundation Certificate (Level 3)

**University Foundation Certificate (UFC) (Level 3)** prepares students for further study at NZQCF Level 4 and above. It is designed for students who need to strengthen their academic background, English proficiency, and study skills before progressing to tertiary education in New Zealand.

Through the programme, students develop the knowledge, skills, and confidence needed to succeed in their chosen field of study or future career, with pathways particularly suited to construction, information science, and business.

# University Foundation Studies (Level 4)

**University Foundation Studies (UFS) (Level 4)** equips students with essential knowledge and skills across a range of subject areas while developing their academic English proficiency, confidence, tertiary study skills, and capabilities.

The programme prepares students to progress and succeed in their chosen field of study or future career in New Zealand.

Upon successful application to the UFS (Level 4) programme, students will receive an Offer of Place for UFS (Level 4), along with a conditional Offer of Place for a Bachelor's degree programme at Massey University.

| Progression Requirements | The average mark of compulsory and elective courses must be 50% or higher. |
| Study Mode | On campus / Online / Hybrid |
| **Intakes** | **9 intakes per year (every 5 weeks)** |

# REASSESSMENT

Students who receive a final overall grade of 45% to 49% in a course are eligible for reassessment. The following rules apply:

### Limit and Maximum Grade

Each course allows a maximum of one reassessment. The maximum grade that can be awarded for a reassessment is 50%.

### Notification of Results

The student will be notified of the reassessment result within 5 working days of the reassessment being received by Kiwi College.

### Independent Competency Demonstration

To ensure that students can independently demonstrate competency against the learning outcome(s), no further teaching or specific feedback will be provided between the assessment submission date and resubmission date.
Only general feedback may be provided, such as advising the student which learning outcome(s) were not met.

### Scope of Reassessment

A reassessment may include a resubmission or resit and will assess the learning outcome(s) that were not achieved.
In the case of a resubmission, the student may be offered this opportunity if the assessor determines that the student is capable of identifying and correcting their own work independently.

# ACADEMIC INTEGRITY AND PLAGIARISM

The UFS (Level 4) assessments are designed to provide evidence of students' knowledge, understanding, and capabilities. Regular workshops will be held to educate students about academic integrity, plagiarism, and cheating, while equipping them with strategies to prevent academic misconduct.
Kiwi College takes a strong stance against all forms of cheating and plagiarism. Academic misconduct may result in serious consequences, including receiving a zero mark or, in serious cases, expulsion from the College.

Artificial Intelligence (AI) can present both opportunities and challenges in relation to academic integrity. Students will be guided on the responsible and ethical use of AI tools and AI-generated content, in accordance with Kiwi College's academic integrity requirements.

# STUDENT SUPPORT SERVICES

*Supporting You Every Step, Thriving Together*

Kiwi College offers a comprehensive range of support, from accessible online resources to personalised guidance, creating a welcoming and supportive environment where you can thrive in your studies.
As a signatory to the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021, we are committed to prioritising your safety, well-being, and overall student experience, and to providing the support you need throughout your time at Kiwi College.

## Services for New Students

- Warm welcome and airport pick-up service upon arrival in Auckland.
- First-day orientation, with a guided tour of the Kiwi College campus and surrounding area if needed.
- Support with visa applications, travel arrangements, and medical insurance.
- Practical guidance on personal safety.
- Support in building an inclusive community and a strong sense of belonging.
- Assistance with administrative tasks, including student ID cards and online access.
- Monitoring and support to help students maintain good attendance.

## Pastoral Care

- Daily well-being support with resources on mental health and counseling.
- Guidance to maintain good physical health.
- Assistance for issues like microaggression, harassment, or discrimination.
- Academic advice and strategies for managing studies independently.
- Referral to doctors and counsellors when additional support is needed.

## Accommodation

- Homestay family placements for students under 18, offering a caring home environment.
- Housing options arranged for students over 18, tailored to individual needs.
- Support in selecting safe, convenient locations near campus.

# UFC (Level 3) and UFS (Level 4) Grading System

| Grade | Mark range | Indicative Characterisation |
|---|---|---|
| A+ | 90 – 100 | Outstanding performance |
| A | 85 – 89 | Excellent performance |
| A- | 80 – 84 | Excellent performance in most respects |
| B+ | 75 – 79 | Very good performance |
| B | 70 – 74 | Good performance |
| B- | 65 – 69 | Good performance overall, but some weaknesses |
| C+ | 60 – 64 | Satisfactory to good performance |
| C | 55 – 59 | Satisfactory performance |
| C- | 50 -54 | Adequate evidence of learning |
| D | 45 – 49 | Poor performance overall, some evidence of learning |
| F | 0 – 44 | Well below the standard required |
| WD | Withdrawn | Withdrawn from a course, or the programme of study |
| DNC | Did Not Complete | To be awarded when a student does not submit a summative assessment (including a final examination) or withdraws from the course after the specified date for withdrawing without academic penalty. |

**Credit Recognition and Transfer:** A student may apply to have courses completed at another approved provider recognised for credit towards their programme, provided that the learning outcomes, level, and credits are substantially equivalent. A maximum of 50% of the programme's credits may be awarded as cross-credits.
